

Since 1985, European Connection, founded by its current President Sandy Cutrone, has been providing customized and imaginative itineraries for individuals and groups traveling to Italy.

We are the one-stop shop for expert assistance in planning, guidance and complete coordination of all trip details from start to finish. The knowledgeable and professional staff of our award-winning company has been internationally recognized as a reliable source for creating outstanding travel packages for discriminating travelers. We are just a phone call away in the USA with cost-effective prices achieved by our direct contracts with hundreds of suppliers in every part of Italy. We can offer every type of hotel from top deluxe to charming country inns, all including breakfast daily, VAT and special added-value amenities. Our special Guides are hand-picked and assigned based on suitability for the needs of travelers. We have a network throughout Italy of the finest

Chauffeur-Driven Vehicles and Coaches for transfers, sightseeing and long-distance touring.

Ask about our Shore Excursions in every port. Special services such as Family Travel Packages with children's Discovery Tours, pre-reserved museum tickets, bicycle excursions, ballooning, helicopter transfers/sightseeing, cooking classes, wine tasting, sports car driving, etc. we can do it all. European Connection is a proud member of the ITPC (Italian Travel Promotion Council), SITE (Society of Incentive Travel Executives) and VIRTUOSO - "Specialists in the Art of Travel" as a "Preferred Tour Operator".
